The screenshot shows the IBM Cloud Dashboard. The top navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and KAVIN P's Account. The main content area is titled "Dashboard" and features a "For you" section with several cards. The first card is "Build" with a blue background, followed by "Build a web app with Watson Speech to Text", "Set up your IBM Cloud account", "Discover the Watson Internet of Things (IoT) Platform", "Build and deploy Node.js apps", and "Get Started with IBM Cloud". Each card includes a "Getting started" button and a time estimate. A "Create resource" button is visible in the top right. A "News" section at the bottom highlights "TrustRadius Best Software: Five IBM Offerings to Make the List".

The screenshot shows the IBM Cloud Account settings page. The left sidebar lists various account-related options, with "Account settings" highlighted. The main content area is titled "Account settings" and displays the account details for KAVIN P's Account, including the account ID and type (Trial (Free)). It also shows the remaining trial period (58 days) and the account upgrade options (Pay-As-You-Go and Subscription). A "Need help?" link is provided. The bottom of the page features an "Add credit card" button and an "Upgrade" button.
